## About

ABI INTERIORS

ABI Interiors is an Australian-designed fixtures supplier specialising in high-quality kitchen and bathroom products for the modern home. We embrace simplicity, longevity, and durability as the foundation for our innovative range — crafted to elevate your everyday experience.

Our offering includes tapware, basins, sinks, baths, showers, and other interior products, featured in up to seven signature finishes to complement any space.

We believe in timeless design, creating each piece to be enjoyed for many years to come. This confidence in our products has inspired our 25-year additional warranty.

Our mission is to empower homeowners and trades with access to premium products at an inclusive price point without compromising on quality.

We are dedicated to upholding excellence across each part of the ABI journey and have carefully considered every detail from inspiration through to installation. With the input and support of our customers as the driving forces, we're proud to continue redefining the experience of home design.

# Product Construction and Finishes

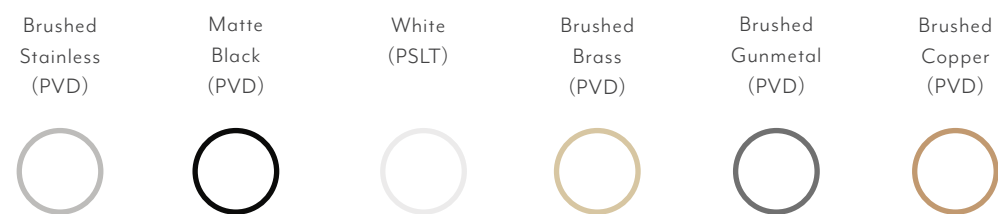

## SOLID BRASS

Solid brass is the most commonly used material across our entire range. Our solid brass is an alloy of 61% copper and 36% zinc and other elements, including phosphorus, aluminium, magnesium, and lead. The Australian standard for lead levels cannot exceed 4.5%. The lead content within our solid brass products is significantly under the required limit.

## STAINLESS STEEL

Our stainless steel products contain no lead and are very resistant to corrosion, with high-yield strength. This means they can withstand high-stress conditions with a reduced chance of permanent damage. Our stainless steel items are available in 304 stainless steel and 316 stainless steel.

## SOLID SURFACE

Our solid surface is an engineered material composed of aluminium trihydrate (ATH), acrylic, epoxy or polyester resins and pigments. This combination is remarkably strong and durable, giving a natural stone-like feel.

## GRANITE

Natural granite is formed from molten rock and is what we use to create some of our basins. It's a highly durable material requiring minimal maintenance. We recommend applying a natural stone sealer to help preserve the finish.

## ACRYLIC

Acrylic is a material we use across our range of baths. They are vacuum moulded products made of acrylic resin and reinforced with fibreglass. Additionally, our acrylic baths feature double walls to increase thermal insulation.

Matte White

## CARRARA MARBLE

As it is a natural stone, each product will have some finish variations with its own individual character. Use a natural stone sealer before use to help preserve the finish.

Matte White

## CERAMIC

Ceramic is a highly-durable construction, and its non-porous surface makes it exceptionally stain-resistant. We offer several ceramic sinks within our range.

Gloss White

# ALIRO COLLECTION

ACCESSIBLE, AMBULANT, AND ASSISTED LIVING PRODUCTS.

AVAILABLE IN FOUR SIGNATURE FINISHES.

CONSTRUCTED FROM HIGHLY DURABLE 316 STAINLESS STEEL.

TESTED TO ASI428:2021 STANDARDS.

# Vanities

## Construction and Finishes

Our bathroom vanities are constructed from high-density moisture resistant particle board for enhanced durability. Either 2PAC or laminate is bonded to the surface of the cabinetry to complete the finish.

The wide range of appealing finishes are designed to help define your space. For laminate surfaces, these include pure oak and white ash oak. For our 2PAC surfaces, you have the option of either white or white shaker.

Our composite stone is a human-made stone that is lightweight and durable, and available in two colourways, including glacier white and carrara.

## Basin Positioning

Basin positioning for all of our vanities is to be centred to the drawer fronts only. For example, if you choose a two-drawer vanity, your basin will be centred to the drawer front and installed on either the left or right side.

**Please note: ABI Interiors does not provide cut-out holes in your stone for your basins; the positioning refers to the waste allowance in the drawer only. Your on-site installer will assist you with this.**

# Product Care Guide

## TAPWARE, SHOWERWARE, ACCESSORIES, STAINLESS STEEL SINKS AND BASINS, WASTES, SHOWER CHANNELS, GLASS AND DOOR HARDWARE

### Cleaning and Maintenance

- Use natural cleaning products only and avoid abrasive cleaning cloths.
- Weekly cleaning with warm soapy water and a microfibre cloth is recommended.
- Dry after each use to reduce watermarking and surface rust.
- Dilute toothpaste with water to restore the vitality of the finish.
- When cleaning, wipe in the direction of the brushed grain to maintain the brushed appearance.
- For renovations and new builds, flush pipes before first use.
- To best maintain the finish, do not let water pool.

## SOLID SURFACE BASINS AND BATHS

### Cleaning and Maintenance

- Clean any marks or stains as soon as they occur.
- Clean with warm soapy water or a cream-based cleanser and a microfibre cloth to remove most markings.
- Solid surface is easy to maintain using natural cleaning products.
- For matte white solid surface products, fine grade sandpaper can be used to remove stains or markings in some instances.

## NATURAL STONE BASINS

### Cleaning and Maintenance

- For natural stone, seal with a natural stone sealant prior to first use. Repeat if necessary.
- Regularly clean with a natural detergent or stone soap.
- Thoroughly rinse with clean water, then dry the surface with a soft cloth.

## TIPS FOR ALL ABI PRODUCTS

- Do not use chemicals or abrasive cleaners. This includes:
  - Bleach and bleaching agents
  - Ammonium and ammonium agents
  - Highly acidic cleaners
  - Alcohol and mineral-based solvents
- Limit exposure to high levels of salt.
- If your product comes into contact with any of these chemicals, rinse immediately with warm soapy water.
- Avoid scourers and rough brushes for cleaning.
- Avoid contact with sharp objects that could chip or scratch the surface.
- Do not apply heat directly on surface.

# Warranty

## UP TO 25-YEARS LIMITED RESIDENTIAL WARRANTY

ABI Interiors offers up to 25-years limited warranty for residential customers subject to our warranty terms and conditions.

## UP TO 10-YEARS LIMITED NON-RESIDENTIAL WARRANTY

ABI Interiors offers up to 10-years limited warranty to non-residential applications of our products subject to our warranty terms and conditions.

## WARRANTY COVERAGE

Both ABI Interiors' Residential Warranty and Non-Residential Warranty offer coverage in relation to a product's:

Structure – including its construction, material and assembly;

Finish – including the product's coating and external appearance; and

Cartridges – where a product contains cartridges, ABI Interiors' warranties cover faults in those cartridges.

You can view our full warranty terms and conditions on our website: [abiinteriors.global/warranty/](https://abiinteriors.global/warranty/)

## ALL ABI INTERIORS' PRODUCTS ARE TESTED AND CERTIFIED TO MEET ALL REQUIRED STANDARDS IN THE MARKETS IN WHICH WE OPERATE.

Our tapware is certified under AS/NZS 3718 : 2005.  
WaterMark Licence: WM- 022852.

“We strive for absolute perfection in the design and innovation of all our products. It’s what excites and drives us.”

— Luli Farrell, Co-Founder
